PERFORMANCE WORKWEAR

# BISON XT SAFETY BOOT

## Zip Lace Up

**Code** XTLZ-101

**Colour** Wheat

**Sizes** 4-14

**Extra Wide Last Sizes** 8W, 9W, 10W, 11W

### KEY FEATURES

Enhanced safety by reduced risk of slips, trips and ankle-roll, and increased toe cap protection.

**Wide fit** sole sizing minimise excess toe space trip hazard, maximise surface area grip contact & eliminate rub-zones and enhance fit comfort.

**Grip** - new Bison Grip nitrile rubber out-sole compound and multi-directional tread design delivers maximum grip on all surfaces.

Nitrile rubber outsole offers extreme protection up to 300°C

**Support with a unique 4 layer heel support system** gives enhanced heel and lower leg stability support to prevent ankle roll.

Ergonomics - rocker bottom sole design aids forward motion, reduces wearer fatigue, and reduces risk of common toe trip and heel strike slips.

**Water resistant leather upper** gives you peace of mind in extreme weather.

Proven hi-durability materials - abrasion resistant, heat resistant & chemical, organic fat, oil and acid resistant Nitrile rubber outer-sole compound

Moulded footbed and ergonomic SDVS (Self Dispersing Venting System) compound, with athletic arch support. Provides compression resistant cushioning and improved foot-sole support for long-lasting under-foot comfort.

**Innovative self venting footbed base and breathable upper-lining** combine to enhance heat dispersion and reduce moisture (sweat).

**Thermo Performance heel support foam** moulds to the wearer's heel profile to provide personalised heel and ankle support, and deliver custom-fit comfort.

**Anti-Penetration Midsole** complies to ISO 20345:2004 International Safety Standards

NEW FEATURE

### STANDARDS

Complies to AS/NZS 2210.3:2009 and EN ISO 20345:2011 SRC. WRU, HRO, E, SBP.
