

Product Features

Wi-Fi compatible

Managing workflow and sending dictations via Wi-Fi provides increased flexibility and improved efficiency. Pairing with a smartphone personal hotspot or office network provides realtime file sharing with your transcriptionist. The status of transcription files can easily be checked on the DS-9500.

Professional quality voice in any environment

Intelligent dual microphone technology ensures optimisation for many different recording environments. Use narrow directionality in a noisy environment to ensure dictations are accurately captured, or use wide directionality for conference recording to accurately capture all speakers.

Professional quality studio recording built-in

A studio quality pop filter reduces additional noise from wind and breath noise. This enables more accurate transcription and professional, high quality recordings.

Shock proof body improves longevity

An alcohol wipe resistant body designed to resist falls up to 1.5 metres dramatically enhances the lifespan of the DS-9500 in heavy use environments. An optical slide switch reduces the risk of mechanical failure.

Specifications

Main Pagarding Cor	atrolo	Project A Position Ontical Clide Contab
Main Recording Controls		Precise 4 Position Optical Slide Switch (REC / STOP / PLAY / REW)
Microphone System		Intelligent Dual Microphone System
		2 x ø 8 Omnidirectional Mics
Dictation Transfer (Wi-Fi)	Network Folder via WLAN	Yes
	E-mail via Internet Connection	Yes
Dictation Transfer (Wired)	Via LAN	Yes (via CR21 Docking Station)
	via USB	Yes
Display		Full colour 2.4" TFT display 240 x 320 pixels
Battery		Li-92B Li-Ion Rechargeable Battery (1350mAh) Up to 10 hours Continuous Recording with One Battery Charge
Data Security		256 Bit AES File Encryption (DSS Pro) Device PIN Lock Data Loss Prevention
Shock Resistance		Drop tested to 1.5m
Storage Media		SD/SDHC Up to 32GB Capacity
Internal Storage Me	dia	2GB
RECORDING FEATU	RES	
Recording Formats	D00 -	DSS Pro, Linear PCM (WAV), MP3
Sampling Frequency Frequency Response	DSS Pro	16kHz (QP) 12kHz (SP)
	PCM (WAV)	22.05kHz (Stereo / Mono)
	MP3 DSS Pro	44.1kHz (Stereo) / 128kbps 44.1kHz (Mono) / 64kbps 200 - 7000 Hz (QP) 200 - 5000 Hz (SP)
	PCM (WAV)	50 - 8000Hz (Qr) 200 - 5000 Hz (Sr)
	MP3	50 - 15000Hz (28kbps (Stereo) 50 - 13000Hz 64kbps (Mono)
Recording Modes	IVII 3	Dictation 1 (for Quiet Environments) Dictation 2 (High Directionality for Noisy Environments) Conference (Stereo + Intelligent Auto Mode)
Directional Stereo Recording		Yes
Noise Reduction		Yes (via Dual Mic Phase Detection)
Triple-layer Sound Studio Pop Filter		Yes
	TATION FEATURES	
Dictation Status on Device		Yes (via Wi-Fi w/ Network Folder)
Author IDs		10
Worktypes		20
